VersaHaul™

**Mobility Scooter Carrier
& Mobility Scooter XL Carrier**

Versatile Wheel-Free Carriers
The most convenient way to
haul your mobility scooter.

VH-MS & VH-MS XL Features

Mobility Scooter Carrier

- 27 3/4" x 46 1/2" tray accommodates most scooters and power wheelchairs
- 4" side walls
- Carrier comes standard with both Class II and Class III hitch inserts
- 60 lb. carrier tilts up when not in use
- 30 lb. ramp easily detaches or snaps into folded locking position
- 11 slots for tie-down hooks
- 61" ramp creates a gentle slope

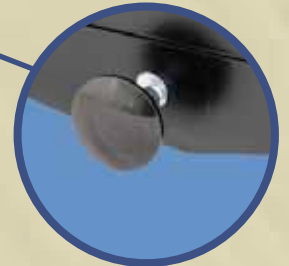

Ramp snaps into place and is held by spring-loaded stainless steel pull latches.

Adjustable leveling bolt.

Anti-tilt lock bracket stabilizes the carrier.

Simply pull the knob to raise and lower the carrier.

Mobility Scooter XL Carrier

- 32 3/4" x 58 1/2" tray accommodates most scooters and power wheelchairs
- 6" side walls
- Carrier comes standard with Class III hitch insert
- 90 lb. carrier tilts up when not in use
- 35 lb. ramp easily detaches or snaps into folded locking position
- 13 slots for tie-down hooks
- 61" ramp creates a gentle slope

Features Upright Locking Position

Durable Powder Coat Finish!

Class III Anti-Tilt Lock Bracket

Prevents Carrier from Twisting Inside your Hitch!
